## Allied Doctors, Clinics, Hospitals, Colleges, Manufacturers / Products, Panchakarma Equipments & Machineries

For the Allied category, a detailed profile of the Allied Member—including features or areas of specialization—will be highlighted on the page, along with a gallery of 10–15 images, an enquiry form, and space for video. In addition, marketing and campaign support will be provided through our social media pages. Backup support for handling marketing enquiries will be provided by the A4U team.

## Classified and Free Listing Doctors, Clinics, Hospitals, Colleges, Manufacturers / Products, Panchakarma Equipments & Machineries

In the Classified section, Doctors, Clinics, Hospitals, Manufacturers, or Colleges can furnish their contact details along with one photograph, and an enquiry form can be hosted. Under the Free Listing option, contact details and one photograph can be published using without enquiry form.

## Working Structure with Allied Hospitals & Wellness Centers

We have a competent team of doctors who handles all inquiries. Following an initial contact with the prospect, the team links the particular inquiry to the appropriate doctor or hospital for subsequent steps. We work on mutually beneficial agreements with about 16 hospitals in Kerala and 116 hospitals and clinics outside Kerala. The [ayurvedam4you.com](http://ayurvedam4you.com) core team provides all marketing assistance to allied hospitals and treatment centers to propagate their services. We invite you to join the [ayurvedam4you.com](http://ayurvedam4you.com) associate network

## Working Structure with Allied Doctors

Patients who need an online consultation can track our Associate Doctors State wise, Country wise as per their requirement. Once enquiry is received, A4U team connects the prospect to the allied Doctor for the session. Consultation fees are decided on a sharing basis. Also allied doctors will have access to the AYUR MANAGER PRO software which is used for prescription, and the prescribed medicines from the leading manufacturers will reach the patients' door step. Medicine revenue also will be shared to the Doctor and also the marketing support also will be provided for to generate enquiry. The allied Doctor can send the patient for treatment to our allied Hospitals or clinics

# Working Structure with Manufacturers & Products

Product Listing page is one of the major highlight of ayurvedam4you.com, that manufacturers can show case their products and details in page with state wise, manufacturer wise and indication wise, This will work as a therapeutic index , doctors can track the product very easily. Also the same products will be pulled to the back end of prescription software, which may pop up at the time of prescription

# Specialized POST & PRE Natal Care Support

A4U is introducing postnatal care under the name "Janmaa" across India and in countries like the UAE, Qatar, Oman and Saudi Arabia. Postnatal care is essential for the health and well-being of both the mother and the new born. It typically includes medical check-ups, emotional support, to Mother's and guidance on new born care. Expanding such services to multiple countries can have a positive impact on maternal and child health in those regions. We would be Showcasing our Allied Clinics in our Post natal Care Page and after the Online consultation, we will refer the patient to the near by clinic as per the enquiry generated and the patient's requirement for walk in treatment and also In patient treatments

# Cosmetology Packages

Ayurvedam4you invites you to experience a revolutionary approach to beauty—where the time-tested wisdom of traditional Ayurveda meets cutting-edge cosmetology.

In partnership with our allied hospitals and specialized cosmetology doctors in Kerala, we've crafted bespoke packages that treat your beauty concerns from the inside out. This isn't just about looking good; it's about achieving genuine, lasting wellness that radiates as beauty.

## Cosmetology Packages
